SPEAKER: From the writer of the movie Fanboys and the novel Armada, a Steven Spielberg film coming March 2018, comes the 2017-2018 common reading book for Washington State University, Ready Player One by Ernest Cline.

In the year 2044, reality is an ugly place. The only time teenage Wade Watts really feels alive is when he's jacked into the virtual utopia game known as the OASIS. Once the game's creator dies, Wade finds himself in a high-stakes quest to save the OASIS that bleeds into real life.

Read to join the adventure. Ready Player One is your gateway to classroom discussions, expert lectures on WSU research, and special events throughout 2017-2018.

Join us for Ernest Cline's campus visit and livestreamed speech on August 28.

The race is on!
