Using Group Work

Lindsay Barkley, Valerie Cheathon
and Theron DesRosier

AOI

Introductions

1. Name, college, class size?
2. What questions do you have regarding group work?

By the end of today's session you will :

1. Draft a group activity that aligns with a learning objective of your course
2. Identify a plan for establishing accountability and productivity in groups
3. Identify a plan for assessment

Group Work by Design

Break into groups: share, collaborate, and get feedback as you fill out the form.

Gallery Walk

Share your design and discuss.

Final Questions?

What would you like to learn more about regarding group work?
