Blackboard Learn Rubrics and Assignments

The Learning Innovations Team
Today’s Objectives

• Create a simple assignment
• Create and attach a rubric to the assignment
• Grade assignment using the rubric
• Experience the student and instructor perspective
  – How students locate the rubric
  – Grading the assignment
  – What students see after instructor completes grading
The Assignment and its Rubric

Create and Employ
Creating Assignment and Rubric

• Click on assignments folder. (Be sure you are in Edit mode)
• Click assessments and from the drop-down menu, select assessments
• Provide assessment details (i.e. name, points possible, etc.)
• Select "create new rubric" from the "add rubric" dropdown.

Blackboard provides a template that you populate with your own criteria.
Grading
Instructor and Student Perspective
Instructor/Student Perspectives

• Submit assignment as a student
• View and grade submission as instructor
• View final grade as the student
